Emph. "Earl Warren & his colleagues"

— "Took me a year & a half to read
through these 26 volumes"

But took less than that time -
it was after 26 vols. out.

History of the X-ray. may look out & all letters
written to people before Lins' done

nothing in his not in more detail in mine
TV radio interviews not completed - only
some

4, no statements - redundant - no more than, if
as may be, mine.

Baker story not complete as have gone to
Second up to Epstein,

Two in instance - but not 26 vols. - cannot be
true;

many more - up to the new edition.
